SPONSORSHIP PACKAGES

You're not just sponsoring a club but a community

CLASSIFICATION: INTERNAL

YOU CAN MAKE A DIFFERENCE THROUGH PROVIDING SPONSORSHIP SUPPORT.

Your sponsorship support will assist the Redhead Surf Life Saving Club secure a safe environment for the community by providing an essential service, using up to date equipment and allowing all to enjoy Redhead beach.

The Redhead SLSC plays a vital role in engaging the local community, providing a crucial volunteer public safety service, and providing opportunities for education, sports involvement and physical activity for members of all ages. As a sponsor, you enable us to patrol one of Australia's most challenging beaches.

We are a non-profit organisation and our foremost focus is on the protection of our community who utilise Redhead Beach: but we also offer our members the chance to test and maintain their skills in competition against other members of surf lifesaving clubs around Australia.

Such surf activity enables members to improve their fitness and raise the awareness and profile of our club in the broader community. The club actively supports these pursuits as it allows the members the opportunity to represent the club as competitors and lifesavers.
